

SCOLIOS-US MENTOR PROGRAM

What is the Scolios-us Mentor Program?

The Scolios-us Bracing Mentor Program offers new bracers the opportunity to connect with seasoned bracers on an individual basis, while the Scolios-us Surgery Mentor Program matches kids and teens with a mentor who has already had surgery. Connecting with a fellow scoli warrior can be incredibly powerful and helpful as you adjust to a new normal!

Want to get matched with a Scolios-us Mentor?

Visit the Mentor Program page on bracingforscoliosUS.org or scan to QR code to sign up today! When you sign up, you will choose how you would like to chat with your mentor – text, phone call, and/or video chat. The three-step sign-up process ensures that all participants are joining the Bracing Mentor Program for the right reasons.

Scolios-us Mentor Program Teams

Our six Scolios-us Mentor Program teams leaders have unique scoliosis journeys, just like each of you, and they are ready to help you navigate your curvy path! In a nutshell, your team leader will be your go-to gal if you need anything! All of our Team Leaders are at least 15-year-olds, so they can also be a great resource and ally if you want advice from someone who is a little further along in their scoli journey.
